

THE BURFORD

A log-effect garage, shed, workshop or store building from Leofric.

An original, stylish log-effect building that can be used as a garage, workshop, store building, garden retreat or hobby room.

The special features of the Burford include:

- A Slate 2000 granular steel slate-effect roof
- Cedar panelled up & over doors
- Cedar front & rear fascia with brown squareflow guttering

Further Options:

- Extra height 8ft 3 or 10ft to eaves
- Cedar or Softwood personal access doors
- Cedar or Softwood windows
